I give permission for my child to undergo a sports pre-participation screening exam and to participate in sports. Although this exam is important and necessary, be aware that it should NOT take the place of a yearly exam by your child's regular physician if available. This is a screening exam and rare or occult diseases can occur despite a thorough screening exam. Failure to honestly answer all screening questions can result in undo risk to the athlete with potentially dire consequences. **Please explain all questions answered with "Yes".**
